

### **Patient-Centered Medical Home Statewide Incentive Payment Program: Revised Incentive Payments and Updated Billing Guidance**

Effective July 1, 2017, in accordance with the 2017-2018 enacted State budget, New York State (NYS) Medicaid is changing the reimbursement amounts for providers working at practices that are recognized as a Patient-Centered Medical Home (PCMH) by the National Committee for Quality Assurance (NCQA).

Healthfirst is fully compliant with the July 1 directive, and has started implementing this change. In accordance with the new guidance, providers designated at 2011 Standards will no longer qualify for PCMH payments. In addition, providers designated at 2014 level 2 and level 3 Standards will be reimbursed at the following new per member per month (PMPM) rates:

Level 2 = \$3.00 PMPM

Level 3 = \$7.50 PMPM
