

Healthfirst Welcomes Affinity Health Plan and VNSNY Choice Medicare Members

Two healthcare companies in New York City—Affinity Health Plan and VNS Choice, from the Visiting Nurse Service of New York—have announced they will no longer offer Medicare Advantage Plans in 2019.

Healthfirst offers a variety of Medicare plans for all lifestyles and financial situations, including plans designed for low-income individuals who are eligible for Medicaid or Extra Help from Social Security to help them pay for prescription drug coverage.
