Healthfirst Medicare Advantage HMO plans are the only plans in NYC to achieve 4 stars out of a 5-stars rating three years in a row, as rated by the Centers for Medicare & Medicaid Services. Healthfirst offers a variety of Medicare plans for all lifestyles and financial situations, including plans designed for low-income individuals who are eligible for Medicaid or Extra Help from Social Security to help them pay for prescription drug coverage.

If your patients want to learn more about Medicare and other plan choices they may contact 1-800-Medicare, or visit www.medicare.gov.
