

TOP PCA Services - ICD-10 Code Crosswalk

Please Note: This ICD-10 code crosswalk for PCA services includes Manifestation codes. Manifestation codes describe the indication of an underlying disease, not the disease itself, therefore, these should not be used as a principal diagnosis. It is important to follow this guideline as any claims with manifestation codes billed as the principal diagnosis will be denied as **Missing/Invalid Diagnosis Code**. A reference of Manifestation codes that cannot be used as a primary diagnosis code can be found in the [CMS Definition of Medicare Code Edits Manual](#). Corrected claims must be marked "Corrected" with the original claim number and should be submitted within 180 days of the date of service. Failure to indicate corrected claims may result in a duplicate denial. These requests are accepted through the Healthfirst secure Provider Portal, or may be mailed to:

Healthfirst Claims Correspondence Unit, PO Box 958438, Lake Mary, FL 32795-8438
