## Healthfirst AbsoluteCare FIDA Plan: **Summary of Benefits**

Frequently Asked Questions (FAQ)	Answers
<b>What are long-term services and supports?</b>	Long-term services and supports are help for people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing facility or hospital.
<b>Can I direct my own care or hire my own aides?</b>	You have the right to choose to direct your own care by selecting Consumer Directed Personal Assistance Services (CDPAS). Through CDPAS, you can hire your own aides and make other decisions about how to get services.
<b>Will you get the same Medicare and Medicaid benefits in Healthfirst AbsoluteCare FIDA Plan that you get now?</b>	<p>You will get your covered Medicare and Medicaid benefits directly from Healthfirst AbsoluteCare FIDA Plan. You will work with a team of providers who will help determine what services will best meet your needs. This means that some of the services you get now may change. You will get almost all of your covered Medicare and Medicaid benefits directly from Healthfirst AbsoluteCare FIDA Plan, but you will get four benefits the same way you do now, outside of the plan. These benefits include: Hospice Services, Out-of-Network Family Planning Services, Methadone Maintenance Treatment Program, and Directly Observed Therapy for Tuberculosis Disease.</p> <p>When you enroll in Healthfirst AbsoluteCare FIDA Plan, you and your Interdisciplinary Team (IDT) will work together to develop a Person-Centered Service Plan (PCSP) to address your health and support needs. When you first enroll in Healthfirst AbsoluteCare FIDA Plan, you can keep seeing your doctors and getting your current services for 90 days, or until your PCSP is complete, whichever is later. When you join our plan, if you are taking any Medicare Part D prescription drugs that Healthfirst AbsoluteCare FIDA Plan does not normally cover, you can get a temporary supply. We will help you get another drug or get an exception for Healthfirst AbsoluteCare FIDA Plan to cover your drug, if medically necessary.</p>

## Healthfirst AbsoluteCare FIDA Plan: **Summary of Benefits**

Frequently Asked Questions (FAQ)	Answers
<p><b>Can you go to the same doctors you see now?</b></p>	<p>Often that is the case. If your providers (including doctors, therapists, and pharmacies) work with Healthfirst AbsoluteCare FIDA Plan and have a contract with us, you can keep going to them. Providers with an agreement with us are “in-network.” You must use the providers in Healthfirst AbsoluteCare FIDA Plan’s network, unless Healthfirst AbsoluteCare FIDA Plan or your IDT has authorized you to see an out-of-network provider. If you need urgent or emergency care or out-of-area dialysis services, you can use providers outside of Healthfirst AbsoluteCare FIDA Plan’s plan.</p> <p>To find out if your doctors are in the plan’s network, call Participant Services or read Healthfirst AbsoluteCare FIDA Plan’s Provider and Pharmacy Directory.</p> <p>If Healthfirst AbsoluteCare FIDA Plan is new for you, you can continue seeing the doctors you go to now for 90 days or until your Person-Centered Service Plan is complete, whichever is later. If you currently get behavioral health services, your Interdisciplinary Team (IDT) will review your current episode of care to decide if you can continue the services with the same provider you see now. If they decide you can see the same provider you see now, you will be able to see that provider for 24 months following your enrollment in Healthfirst AbsoluteCare FIDA Plan.</p>
<p><b>Can you remain in the same nursing facility you live in now?</b></p>	<p>Yes. If you live in a nursing facility when you enroll in Healthfirst AbsoluteCare FIDA Plan, you can remain in that nursing facility for the entire time that you are in a FIDA Plan like Healthfirst AbsoluteCare FIDA Plan, even if that nursing facility is out-of-network and does not participate with Healthfirst AbsoluteCare FIDA Plan.</p>
<p><b>What happens if you need a service but no one in Healthfirst AbsoluteCare FIDA Plan’s network can provide it?</b></p>	<p>Most services will be provided by our network providers. If you need a service that cannot be provided within our network, Healthfirst AbsoluteCare FIDA Plan will pay for the cost of an out-of-network provider.</p>
<p><b>Where is Healthfirst AbsoluteCare FIDA Plan available?</b></p>	<p>The service area for this plan includes: Bronx, Kings, Queens, New York, Richmond, and Nassau Counties, New York. You must live in one of these areas to join the plan.</p>
