Child Health Plus is a New York State-sponsored health insurance program. Some children who had employer-based health insurance may be subject to a waiting period of no more than 90 days before they can be enrolled in Child Health Plus. This will depend on your household income and the reason your children lost employer-based coverage. To learn more about applying for health insurance including Child Health Plus and Medicaid through NY State of Health, The Official Health Plan Marketplace, visit www.nystateofhealth.ny.gov or call 1-855-355-5777.

*Ratings are based on a five-star scale from indicators chosen by the New York State Department of Health and are published in its 2014 through 2017 publications of *A Consumer's Guide to Medicaid Managed Care in NYC and Long Island.*
