Re: Notice of Proposed Premium Rate Change  
Healthfirst HMO A – VAD - HIOS ID 91237NY0020067

Dear Healthfirst Member:

Healthfirst PHSP, Inc. (Healthfirst) is filing a request with the New York State Department of Financial Services (DFS) to approve a change to your premium rates for 2016. New York Insurance Law requires that we provide a notice to you when we submit requests for premium rate changes to DFS.

DFS is required by law to review our requested rate change. DFS may approve, modify or disapprove the requested rate change.

### **Proposed Premium Rate Change**

If approved, the percentage increase to your premium will be 13.6%. This means that your monthly premium may be higher starting January 1, 2016.

Please note that while we try to provide you with the most accurate information possible, the final rate may differ based on the benefit plan design and other features you select on renewal. Also, the final, approved rate may differ because DFS may modify the proposed rate.

### **Why We Are Requesting a Rate Change**

With several market forces continue to drive health care costs higher, Healthfirst is requesting a higher rate for 2016. These factors include:

- Cost increases for inpatient hospital, outpatient hospital, and physician services
- Cost increases for prescription drugs, including the increased use of expensive specialty prescriptions.

To limit rate increases, we continue to improve our care management and quality improvement programs. We also continue to strengthen our robust network.

### **30-day Comment Period**

You can contact us or DFS to ask for more information or submit comments to DFS about the proposed rate changes. The comments must be made within 30 days from the date of this notice.
