**Re: Notice of Proposed Premium Rate Change  
Healthfirst [Plan Name] HIOS ID 83744NY001[XXXX]**

Dear Healthfirst Member:

Healthfirst Health Plan, Inc. (Healthfirst) is filing a request with the New York State Department of Financial Services (DFS) to approve a change to your group premium rates for 2017. New York Insurance Law requires that we provide a notice to you when we submit requests for premium rate changes to DFS.

DFS is required by law to review our requested rate change. DFS may approve, modify or disapprove the requested rate change.

**Proposed Premium Rate Changes**

If approved, the percentage change to your group's premium is 5%. This means that your monthly premium may be higher starting January 1, 2017.

Please note that while we try to provide you with the most accurate information possible, the final rate may differ based on the benefit plan design and other features that your group policyholder selects on renewal. Also, the final, approved rate may differ because DFS may modify the proposed rate.

**Why We Are Requesting a Rate Change**

Healthfirst is requesting a higher rate for 2017 because of several market forces that continue to drive health care costs higher. These factors include:

- Cost increases for inpatient hospital, outpatient hospital, and physician services
- Cost increases for prescription drugs, including the increased use of expensive specialty prescriptions.

The approximate percentage of the total rate increase attributed to the above forces is as follows:

- Inpatient care: 0.0%
- Outpatient care: 0.6%
- Physician services: 0.7%
- Prescription drug unit costs: 3.0%
- Specialty drug utilization: 0.7%

**30-day Comment Period**

You can contact us or DFS to ask for more information or submit comments to DFS about the proposed rate changes. The comments must be made within 30 days from the date of this notice.
