Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$0	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible ?	Yes. Preventive care, prenatal care and telemedicine are covered before you meet your deductible	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	No	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	Individual \$2,000 Family \$4,000	The out-of-pocket limit is the most you could pay in a year for covered services.
What is not included in the out-of-pocket limit ?	Premium, Balance Billing charges and the cost of health care services this plan does not cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See www.healthfirstny.org or call 1-888-250-2220 for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services
