At Healthfirst, we know the cost of dental services can really add up.

That's why Healthfirst Medicare Advantage plans provide dental coverage that Original Medicare doesn't. Members can get the services they need most, such as:

- Teeth cleaning and polishing
- Dental exams and X-rays
- Fillings, crowns, and bridges
- Extractions (teeth pulling)
- Root canals
- Complete and partial dentures
- Teeth scaling and gum tissue removal
- And more
