Re: Notice of Proposed Premium Rate Reduction
Healthfirst [Plan Name] - HIOS ID 91237NY002[XXXX]

Dear Healthfirst Member:

Healthfirst PHSP, Inc. (Healthfirst) is filing a request with the New York State Department of Financial Services (DFS) to approve a change to your premium rates for 2015. New York Insurance Law requires that we provide a notice to you when we submit requests for premium rate changes to DFS.

DFS is required by law to review our requested rate change. DFS may approve, modify or disapprove the requested rate change.

**Proposed Premium Rate Reduction**

If approved, the percentage reduction to your premium will be 9.8%. This means that your monthly premium may be lower starting January 1, 2015.

Please note that while we try to provide you with the most accurate information possible, the final rate may differ based on the benefit plan design and other features you select on renewal. Also, the final, approved rate may differ because DFS may modify the proposed rate.

**Why We Are Requesting a Rate Reduction**

While several market forces continue to drive health care costs higher, Healthfirst is requesting a lower rate in 2015. We continue to improve our care management and quality improvement programs. We also continue to strengthen our robust network. In addition, the demographic make-up of our current membership is different than was expected.

Based on these factors, as well as our projections, the membership’s average demand for medical services may go down in 2015. This is why we are applying for a rate reduction to account for marketplace trends and to reflect these changing factors.

**30-day Comment Period**

You can contact us or DFS to ask for more information or submit comments to DFS about the proposed rate changes. The comments must be made within 30 days from the date of this notice.
