Re: Notice of Proposed Premium Rate Change
Healthfirst HMO A and HMO A-VAD Plans (LI) - HIOS ID 91237NY002[XXXX]

Dear Healthfirst Member:

Healthfirst PHSP, Inc. (Healthfirst) is filing a request with the New York State Department of Financial Services (DFS) to approve a change to your premium rates for 2021. New York Insurance Law requires that we provide a notice to you when we submit requests for premium rate changes to DFS.

DFS is required by law to review our requested rate change. DFS may approve, modify or disapprove the requested rate change.

Proposed Premium Rate Change

If approved, the percentage change to your premium is 0.0%.

If you enrolled through the NY State of Health, the state's health plan marketplace, and you qualified for financial assistance called an Advanced Premium Tax Credit (APTC), your current premium is less than the amount shown above. Your 2021 premium will also be less than shown above if you qualify for the APTC again next year. NY State of Health will calculate your eligibility for financial assistance each year.

Please note that while we try to provide you with the most accurate information possible, the final approved rate may differ based on the benefit plan design and other features you select on renewal. Also, the final approved rate may differ because DFS may modify the proposed rate.

Why We Are Requesting a Rate Change

Healthfirst is requesting a higher rate for 2021 because several market forces continue to drive health care costs higher. These forces include:

- Cost increases for inpatient hospital, outpatient hospital, and physician services
- Cost increases for prescription drugs, including the increased use of expensive specialty prescriptions

DFS's view of these matters may differ.
