Annual Notice of Changes
CompleteCare (HMO SNP)
New York City, and Nassau and Westchester Counties
January 1, 2019–December 31, 2019
Healthfirst CompleteCare (HMO SNP) offered by Healthfirst Health Plan, Inc.

Annual Notice of Changes for 2019

You are currently enrolled as a member of Healthfirst CompleteCare (HMO SNP). Next year, there will be some changes to the plan’s costs and benefits. This booklet tells about the changes.

What to do now

1. ASK: Which changes apply to you

☐ Check the changes to our benefits and costs to see if they affect you.

- It’s important to review your coverage now to make sure it will meet your needs next year.
- Do the changes affect the services you use?
- Look in Sections 1 and 2 for information about benefit and cost changes for our plan.

☐ Check the changes in the booklet to our prescription drug coverage to see if they affect you.

- Will your drugs be covered?
- Do any of your drugs have new restrictions, such as needing approval from us before you fill your prescription?
- Can you keep using the same pharmacies? Are there changes to the cost of using this pharmacy?
- Review the 2019 Drug List and look in Section 1.6 for information about changes to our drug coverage.
- Your drug costs may have risen since last year. Talk to your doctor about lower cost alternatives that may be available for you; this may save you in annual out-of-pocket costs throughout the year. To get additional information on drug prices visit https://go.medicare.gov/drugprices. These dashboards highlight which manufacturers have been increasing their prices and also show other year-to-year drug price information. Keep in mind that your plan benefits will determine exactly how much your own drug costs may change.

☐ Check to see if your doctors and other providers will be in our network next year.

- Are your doctors in our network?
- What about the hospitals or other providers you use?
- Look in Section 1.3 for information about our Provider Directory.

OMB Approval 0938-1051 (Pending OMB Approval)
Think about your overall health care costs.

- How much will you spend out-of-pocket for the services and prescription drugs you use regularly?
- How much will you spend on your premium and deductibles?
- How do your total plan costs compare to other Medicare coverage options?

Think about whether you are happy with our plan.

2. COMPARE: Learn about other plan choices

Check coverage and costs of plans in your area.

- Review the list in the back of your Medicare & You handbook.
- Look in Section 3.2 to learn more about your choices.

Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan’s website.

3. CHOOSE: Decide whether you want to change your plan

- If you want to keep Healthfirst CompleteCare, you don’t need to do anything. You will stay in Healthfirst CompleteCare.
- If you want to change to a different plan that may better meet your needs, you can switch between now and December 31. Look in section 3.2, page 12 to learn more about your choices.

4. ENROLL: To change plans, join a plan between now and December 31, 2018

- If you don’t join another plan by December 31, 2018, you will stay in Healthfirst CompleteCare.
- If you join another plan by December 31, 2018, your new coverage will start the first day of the following month
- Starting in 2019, there are new limits on how often you can change plans. Look in section 3.2, page 12 to learn more.

The table below compares the 2018 costs and 2019 costs for Healthfirst CompleteCare in several important areas. **Please note this is only a summary of changes. (You must also continue to pay your Medicare Part B premium unless it is paid for you by Medicaid.)

Section 1.2 – Changes to Your Maximum Out-of-Pocket Amount

To protect you, Medicare requires all health plans to limit how much you pay “out-of-pocket” during the year. This limit is called the “maximum out-of-pocket amount.” Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

Because our members also get assistance from Medicaid, very few members ever reach this out-of-pocket maximum.

You are not responsible for paying any out-of-pocket costs toward the maximum out-of-pocket amount for covered Part A and Part B services.

Your costs for covered medical services (such as copays) count toward your maximum out-of-pocket amount.
Section 1.3 – Changes to the Provider Network

There are changes to our network of providers for next year. An updated Provider/Pharmacy Directory is located on our website at www.HFMedicareMaterials.org. You may also call Member Services for updated provider information or to ask us to mail you a Provider/Pharmacy Directory. Please review the 2019 Provider/Pharmacy Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.

It is important that you know that we may make changes to the hospitals, doctors and specialist (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan but if your doctor or specialist does leave your plan you have certain rights and protections summarized below:

- Even though our network of providers may change during the year, Medicare requires that we furnish you with uninterrupted access to qualified doctors and specialists.
- We will make a good faith effort to provide you with at least 30 days’ notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.
- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed you have the right to file an appeal of our decision.
- If you find out your doctor or specialist is leaving your plan please contact us so we can assist you in finding a new provider and managing your care.
Section 1.4 – Changes to the Pharmacy Network

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

There are changes to our network of pharmacies for next year. An updated Provider/Pharmacy Directory is located on our website at www.HFMedicareMaterials.org. You may also call Member Services for updated provider information or to ask us to mail you a Provider/Pharmacy Directory. Please review the 2019 Provider/Pharmacy Directory to see which pharmacies are in our network.

Section 1.5 – Changes to Benefits and Costs for Medical Services

Please note that the Annual Notice of Changes only tells you about changes to your Medicare benefits and costs.

We are changing our coverage for certain medical services next year. The information below describes these changes. For details about the coverage and costs for these services, see Chapter 4, Benefits Chart (what is covered and what you pay), in your 2019 Evidence of Coverage. A copy of the Evidence of Coverage is available by calling Member Services (see the back of this booklet) or visiting our website www.HFMedicareMaterials.org.

Section 1.6 – Changes to Part D Prescription Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is provided electronically. You can get the Drug List by calling Member Services (see the back of the booklet) or visiting our website at www.HFMedicareMaterials.org.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.

If you are affected by a change in drug coverage you can:

- **Work with your doctor (or other prescriber) and ask the plan to make an exception** to cover the drug. We encourage current members to ask for an exception before next year.
  - To learn what you must do to ask for an exception, see Chapter 9 of your Evidence of Coverage (What to do if you have a problem or complaint (coverage decisions, appeals, complaints)) or call Member Services.

- **Work with your doctor (or prescriber) to find a different drug** that we cover. You can call Member Services to ask for a list of covered drugs that treat the same medical condition.

In some situations, we are required to cover a temporary supply of a non-formulary drug in the first 90 days of the plan year or the first 90 days of membership to avoid a gap in therapy. (To learn more about when you can get a temporary supply and how to ask for one, see Chapter 5, Section 5.2 of the Evidence of Coverage.) During the time when you are getting a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.

If you were approved for a formulary exception in 2018, the exception will end on the coverage end date indicated in the Coverage Determination Approval letter.

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules.

Starting in 2019, we may immediately remove a brand name drug on our Drug List if, at the same time, we replace it with a new generic drug with the same or fewer restrictions. Also, when adding the new generic drug, we may decide to keep the brand name drug on our Drug List, but
Healthfirst CompleteCare Annual Notice of Changes for 2019

add new restrictions. This means if you are taking the brand name drug that is being replaced by the new generic (or restriction on the brand name drug changes), you will no longer always get notice of the change 60 days before we make it or get a 60-day refill of your brand name drug at a network pharmacy. If you are taking the brand name drug, you will still get information on the specific change we made, but it may arrive after the change is made.

Also, starting in 2019, before we make other changes during the year to our Drug List that require us to provide you with advance notice if you are taking a drug, we will provide you with notice 30, rather than 60, days before we make the change. Or we will give you a 30-day, rather than a 60-day, refill of your brand name drug at a network pharmacy.

When we make these changes to the Drug List during the year, you can still work with your doctor (or other prescriber) and ask us to make an exception to cover the drug. We will also continue to update our online Drug List as scheduled and provide other required information to reflect drug changes. (To learn more about the changes we may make to the Drug List, see Chapter 5, Section 6 of the Evidence of Coverage.)

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs (“Extra Help”), the information about costs for Part D prescription drugs may not apply to you.

We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. Because you receive “Extra Help” and haven’t received this insert by September 30, 2018, please call Member Services and ask for the “LIS Rider.” Phone numbers for Member Services are in Section 7.1 of this booklet.

There are four “drug payment stages”. How much you pay for a Part D drug depends on which drug payment stage you are in. (You can look in Chapter 6, Section 2 of your Evidence of Coverage for more information about the stages.)

The information below shows the changes for next year to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage. To get information about your costs in these stages, look in your Summary of Benefits or at Chapter 6, Sections 6 and 7, in the Evidence of Coverage.)

Changes to the Coverage Gap and Catastrophic Coverage Stages

The Coverage Gap Stage and the Catastrophic Coverage Stage are two drug coverage stages for people with high drug costs. **Most members do not reach either stages.**

For information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in your *Evidence of Coverage*. 
SECTION 2  Changes to your Medicaid Benefits

- You are entitled to additional Medicaid-covered services of 40 visits per year for physical therapy.

- Additional community based long term services and supports may be available to you. To learn more about these benefits, please refer to Chapter 4, Section 2.2 of the Evidence of Coverage.

SECTION 3  Deciding Which Plan to Choose

Section 3.1 – If you want to stay in Healthfirst CompleteCare

**To stay in our plan you don’t need to do anything.** If you do not sign up for a different plan or change to Original Medicare, you will automatically stay enrolled as a member of our plan for 2019.

Section 3.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change for 2019 follow these steps:

**Step 1: Learn about and compare your choices**

- You can join a different Medicare health plan,
- **-- OR--** You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

Your new coverage will begin on the first day of the following month. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

To learn more about Original Medicare and the different types of Medicare plans, read *Medicare & You 2019*, call your State Health Insurance Assistance Program (see Section 5), or call Medicare (see Section 7.2).

You can also find information about plans in your area by using the Medicare Plan Finder on the Medicare website. Go to https://www.medicare.gov and click “Find health & drug plans.” **Here, you can find information about costs, coverage, and quality ratings for Medicare plans.**

As a reminder, Healthfirst Medicare Plan offers other Medicare health plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.
Step 2: Change your coverage

- To change to a different Medicare health plan, enroll in the new plan. You will automatically be disenrolled from Healthfirst CompleteCare.
- To change to Original Medicare with a prescription drug plan, enroll in the new drug plan. You will automatically be disenrolled from Healthfirst CompleteCare.
- To change to Original Medicare without a prescription drug plan, you must either:
  - Send us a written request to disenroll. Contact Member Services if you need more information on how to do this (phone numbers are in Section 7.1 of this booklet).
  - or – Contact Medicare, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

If you switch to Original Medicare and do not enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan unless you have opted out of automatic enrollment.

SECTION 4 Changing Plans

If you want to change to a different plan or Original Medicare for next year, you can do it from October 15 until December 7. The change will take effect on January 1, 2019.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. For example, people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area may be allowed to make a change at other times of the year. For more information, see Chapter 10, Section 2.4 of the Evidence of Coverage.

Note: Effective January 1, 2019, If you’re in a drug management program, you may not be able to change plans.

If you enrolled in a Medicare Advantage plan for January 1, 2019, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2019. For more information, see Chapter 10, Section 2.3 of the Evidence of Coverage.
SECTION 5  Programs That Offer Free Counseling about Medicare and Medicaid

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In New York, the SHIP is called The Health Insurance Information, Counseling, and Assistance Program, or HIICAP.

HIICAP is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give free local health insurance counseling to people with Medicare. HIICAP counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call HIICAP at 1-800-701-0501. You can learn more about HIICAP by visiting their website at www.aging.ny.gov/healthbenefits.

For questions about your New York State Medicaid benefits, contact New York State Department of Health Medicaid Program at 1-800-505-5678, Monday-Friday from 8:30am to 8pm, Saturday from 10am-6pm. TTY users should call 1-888-329-1541 Ask how joining another plan or returning to Original Medicare affects how you get your New York State Medicaid coverage.

SECTION 6  Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

**“Extra Help” from Medicare.** Because you have Medicaid, you are already enrolled in ‘Extra Help,’ also called the Low Income Subsidy. Extra Help pays some of your prescription drug premiums, annual deductibles and coinsurance. Because you qualify, you do not have a coverage gap or late enrollment penalty. If you have questions about Extra Help, call:

- 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
- The Social Security Office at 1-800-772-1213 between 7 am and 7 pm, Monday through Friday. TTY users should call, 1-800-325-0778 (applications); or
- Your State Medicaid Office (applications).

**Help from your state’s pharmaceutical assistance program.** New York has a program called the Elderly Pharmaceutical Insurance Coverage (EPIC) program that helps people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, check with your State Health Insurance Assistance Program (the name and phone numbers for this organization are in Section 5 of this booklet).
• **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the HIV Uninsured Care Programs, ADAP. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call 1-800-542-2437.
