

The OTC Plus Reimbursement Claim Form is used to request reimbursement for **eligible** OTC and health-related items, healthy foods, and home Internet service that you purchased out of pocket. OTC Plus items may be purchased for your individual use only, not for use by family members or friends. The Healthfirst OTC Plus card is not a debit or credit card and cannot be converted to cash, nor can it be used to purchase Part B or Part D prescription drugs. Cash reimbursement will be deducted from your OTC Plus card balance. In the event the balance is less than the amount submitted, you will be reimbursed only up to the amount of your card balance at the time your request is received. **This form cannot be used to reimburse for items purchased at non-participating retailers, non-eligible OTC items, foods, prescription drugs, or any medical services you received.
