Plans - HIOS ID 61405NY003[XXXX]

Dear Healthfirst Group Policy Holder:

Healthfirst Insurance Company, Inc. (Healthfirst) is filing a request with the New York State Department of Financial Services (DFS) to approve a change to your premium rates for 2020. New York Insurance Law requires that we provide a notice to you when we submit requests for premium rate changes to DFS.

DFS is required by law to review our requested rate change. DFS may approve, modify or disapprove the requested rate change.

### **Proposed Premium Rate Changes**

If approved, the percentage reduction to your premium is 5%.

Please note that while we try to provide you with the most accurate information possible, the final approved rate may differ based on the benefit plan design and other features you select on renewal. Also, the final approved rate may differ because DFS may modify the proposed rate.

### **Why We Are Requesting a Rate Change**

Healthfirst is applying for a rate adjustment to account for marketplace trends and to reflect actual and anticipated claims costs. While several market forces continue to drive health care costs higher more generally, Healthfirst continues to strengthen the effectiveness of its care management and quality improvement programs and robust network.

DFS's view of these matters may differ.

### **30-day Comment Period**

You can contact us or DFS to ask for more information or submit comments to DFS about the proposed rate changes. The comments must be made within 30 days from the date of this notice.

You can contact Healthfirst for additional information at:
