

Healthfirst Child Health Plus Plan Covered Services

Healthfirst Child Health Plus (CHPlus) is a New York State–sponsored health insurance program that provides no- or low-cost coverage for the children of uninsured or underinsured families who do not qualify for Medicaid. Healthfirst CHPlus plan members have access to many benefits and services to help them stay healthy. Sponsored by New York State, this plan is for children under age 19 regardless of family income or immigration status.

The following is a full list of covered services for CHPlus plan members. More information is available in the **Member Handbook**.
