Re: Notice of Proposed Premium Rate Change
Healthfirst [Plan Name] - HIOS ID 83744NY002[XXXX]

Dear Group Benefit Administrator:

Managed Health, Inc. (Healthfirst Healthy NY) is filing a request with the New York State Department of Financial Services (DFS) to approve a change to your premium rates for 2015. New York Insurance Law requires that we provide a notice to you when we submit requests for premium rate changes to DFS.

DFS is required by law to review our requested rate change. DFS may approve, modify or disapprove the requested rate change.

Proposed Premium Rate Change

If approved, the percentage change to your premium is 0.7%.

Please note that while we try to provide you with the most accurate information possible, the final rate may differ based on the benefit plan design and other features you select on renewal. Also, the final, approved rate may differ because DFS may modify the proposed rate.

Why We Are Requesting a Rate Change

Several market forces continue to drive health care costs higher and Healthfirst is requesting a higher rate in 2015. We continue to improve our care management and quality improvement programs to bring you and your employees greater value. We also continue to strengthen our robust network. However, the demographic make-up of our current membership is different than was expected. Based on these factors, as well as our projections, the membership's average demand for medical services may go up in 2015. This is why we are applying for a rate increase to account for marketplace trends and to reflect these changing factors.
